

AT HOME BINGO

with your library!

Do you miss the Greenville Public Library as much as we miss you? Here is a fun way to stay engaged and keep us updated on what you're reading and how you're staying busy during these challenging times. For children who can read on their own up to those entering 8th grade, let's play At Home Library BINGO!

Here's how to play: Complete the tasks to connect **five** boxes. If a box asks for you to read, please include the title(s) by the square and add all dates when tasks were done. Once you have a BINGO, please send the completed form to us via email (christalv@greenvillepubliclibrary.org), mail, or our drop box. A completed BINGO card will earn you one Dilly Bar coupon. You may complete another BINGO using different squares and send that in when completed. Once you have done all of the tasks on a card, please request a different card. One child may send in up to eight BINGO cards. If we reopen, we will continue the program but ask that participants come in once a week to receive a coupon. A copy of the BINGO card will be available at greenvillepubliclibrary.org. If you are unable to print new copies, feel free to make handwritten copies of our BINGO card. Please include name, grade the child will be entering, and address on completed BINGO card when returned. Since our future situation is unknown, we are considering different methods of delivering coupons—mail, delivery, or curbside. Please stay tuned.

B I N G O
