

The Greenville Public Library invites you to take part in Illinois State Library's Annual Family Reading Night.

The theme is "Dig Deeper: Read, Investigate, Discover."

We are asking families to read a book together. You can read a book that is a family favorite, check out a book from the library the family hasn't read, or even take a trip to Patriot's Park to enjoy the StoryWalk® (until November 14<sup>th</sup>).

After you have read a book as a family, fill out the form that can be downloaded at the library's website, WGEL's website, and the city's website. A form can also be picked up at the library during an appointment. The form must be received no later than Friday, November 20<sup>th</sup>. The form may be returned by mail, in our drop box, by email (<a href="mailto:christalv@greenvillepubliclibrary.org">christalv@greenvillepubliclibrary.org</a>), or during an appointment.

Five participating families will be chosen to receive a gift.
---- One entry per family, please. ----
